Equality Statement

Riverside Academy is committed to the principle of equal opportunities for all. We operate an inclusive curriculum, which respects the diverse needs of every child.

This statement demonstrates our commitment to ensure full access to the progression through the curriculum for all pupils. In addition, it acts as a positive focus when considering matters of school management and organisation.

We encourage the development and promotion of positive attitudes through the implementation of a curriculum which is broad and balanced, thus enabling all pupils regardless of colour, race, creed, gender or special educational needs, to have full access to the curriculum.

We believe that by acknowledging, valuing and understanding our similarities and differences that members of our society will play an active role in contributing to our future society. The academy's touchstones, and in particular our positive behaviour expectations and learning powers are at the heart of all we do.

We recognise that prejudice can, and does, exist at all levels in our society. However, it will not be tolerated at any level within our academy.

We value all our children at Riverside Academy and recognise the positive contribution each child can make in enriching and enhancing the ethos of our academy and wider community.

This is an annual statement made on behalf of the Local Governing Body by the Headteacher.

Head teacher

1. Our equality vision and values that underpin school life

Vision

We serve our community by providing an education of the highest quality, with exceptional experiences for every pupil, every day. This will be achieved by providing an exciting learning environment, which fosters a real love of learning and inspires all our pupils to become lifelong learners with the knowledge and skills needed to conquer challenges and excel in all they do.

At Riverside Academy we believe that every child deserves the opportunity to achieve their full potential. All staff have due regard to advancing the equality of opportunity by consciously thinking about the three aims of the Equality Duty as part of our process of decision making. Having 'due regard' to the need to advance equality of opportunity is defined as the need to:

1. Remove or minimise disadvantages
2. Take steps to meet different needs.
3. Encourage participation when it is disproportionately low. The school's response will be proportionate and involve a reasonable adjustment. Risk assessments will be made on an individual basis. Riverside Academy aims to identify and remove the barriers that particular groups of children, young people and adults may face in becoming included, valued, self-confident and achieving learners within and beyond their local community.

Values

Our school values will enable all children to flourish and reach their full potential within an inclusive, safe and stimulating setting:

Friendship- we celebrate the successes of everyone and are kind, considerate and respectful members of our school community.

Resilience- we are willing to tackle a challenge with confidence and motivation; we bounce back when things go wrong.

Excellence- we have high expectations and aspirations for ourselves a willingness to learn and a desire to apply our knowledge and skills in different contexts.

Fundamental British Values

As part of the value system, the academy actively promotes and encourages the fundamental British values which permeate through all aspects of school life, and link seamlessly with the six core values of Lower Farm. These are:

- Democracy
- The Rule of Law
- Individual Liberty
- Mutual Respect
- Tolerance of those of different faiths and beliefs

These values are regularly promoted through high quality teaching, a rounded programme of collective worship and assemblies and a positive behaviour policy. This provision allows pupils to develop and demonstrate skills and attitudes that will allow them to participate fully in and contribute positively to life in modern Britain. As well as teaching our pupils, our active promotion of these values also means we challenge pupils, staff or parents who express contrary opinions.

Academy aims

- Value and recognise the uniqueness and achievement of every member of our academy family
- Raise the aspirations of everyone within our academy community so everyone strives for **personal excellence** in everything they do

- Nurture and support all abilities, helping every child to achieve his/her potential in all areas of learning – intellectual, emotional, physical, social, moral, spiritual and cultural, placing children’s happiness at the core of what we do
- Provide outstanding teaching and learning which enables all students, regardless of gender, race, background or ability, to excel
- Equip children with the resilience and perseverance to become creative and independent thinkers and to become lifelong learners within an ever-changing world
- Provide a rich, broad and balanced curriculum tailored to the needs of our children with emphasis on developing a love of reading and a rich and varied vocabulary
- Develop learning activities which stimulate positive models of enquiry, reflection, challenge and innovation
- Promote British Values alongside our school values to embody attitudes of care, tolerance, honesty, trust and respect within the academy and wider communities so that children develop as well-rounded and responsible citizens for the future
- Develop outstanding relationships with ‘Parents as equal Partners’ of their children’s learning and with all our stakeholders so everyone works together to achieve the best outcomes.

3. Our duties

At Riverside Academy we welcome our duties under the Equality Act 2010.

The Governing Body of Riverside Academy is committed to promoting equality and diversity and eliminating discrimination, harassment, victimisation and any other conduct that is prohibited by or under the Equality Act 2010.

By recognising and appreciating individual needs and differences the school will be broadly representative of the communities it serves, and be a place where children and staff will thrive – physically, mentally, socially, and spiritually.

We aim to advance equality of opportunity, and foster good relations between persons who share a relevant protected characteristic and persons who do not share it. This will be achieved by implementing equal opportunities and diversity practice across the three dimensions of the School: as an employer; an educator; and a resource of the local community.

We will ensure that the whole school community is aware of the Equality & Diversity Statement and our published equality information and objectives, by informing parents that they are published on our website and in our school prospectus.

Riverside Academy is committed to meeting its public sector statutory duties as detailed below. We understand that the duties apply to service delivery and employment and staff management as well as policy development and implementation.

The purpose of this information is to set out how our practice and policies have due regard to the need to:

- **eliminate discrimination**, harassment, victimisation and any other conduct that is prohibited by or under this Act.
- **advance equality of opportunity** between persons who share a relevant protected characteristic and persons who do not share it
- **foster good relations** between persons who share a relevant protected characteristic and persons who do not share it.

4. Protected characteristics

We understand the principle of the Act and the work needed to ensure that those with protected characteristics are not discriminated against and are given equality of opportunity. A protected characteristic under the act covers the groups listed below:

- disability (as defined by the equality Act 2010) and those who have additional educational needs

At Riverside Academy, we implement accessibility plans which are aimed at:

- increasing the extent to which disabled pupils can participate in the curriculum;
- improving the physical environment of schools to enable disabled pupils to take better advantage of education, benefits, facilities and services provided;
- improving the availability of accessible information to disabled pupils.

6. How we meet our legal and general duties

In order to meet our general duties, listed above, the law requires us to do some specific duties to demonstrate how we meet the general duties. These are to:

Publish equality information

No information will be published which could specifically identify any individual child or adult.

Prepare and publish equality objectives

To do this we will collect data related to the protected characteristics above and analyse this data to determine our focus for our equality objectives. The data will be assessed across our core provisions as a school. This will include the following functions:

- Admissions
- Attendance
- Attainment
- Exclusions
- Prejudice related incidents

We will use the information collected to:

- evaluate how well we comply with all our duties under the Equality Act
- assess the potential and actual impact of policies and procedures
- decide where positive action may be appropriate
- identify priorities, set equality objectives and update our accessibility plan
- monitor progress towards meeting these objectives and implementing our accessibility plan
- inform future action.

Our objectives will detail how we will ensure equality is applied to the services listed above; however, where we find evidence that other functions have a significant impact on any particular group we will include work in this area.

7. Core Statements

In fulfilling our legal obligations, we will be guided by seven core statements:

- All learners are of equal value.
- We recognise, welcome and respect diversity.
- We foster positive attitudes and relationships, and a shared sense of belonging.
- We observe good equalities practice, including staff recruitment, retention and development.
- We aim to reduce and remove existing inequalities and barriers.
- We consult and involve widely
- We strive to ensure that society will benefit.

8. Addressing Prejudice Related Incidents

Our academy is opposed to all forms of prejudice and we recognise that children and young people who experience any form of prejudice related discrimination may fare less well in the education system. We provide both our pupils and staff with an awareness of the impact of prejudice to prevent any incidents. If incidents still occur, we address them immediately and report them to the Local Authority using their guidance material.

9. Chain of accountability

The Local Governing Body, supported by the Headteacher and staff, is responsible for ensuring the implementation of this scheme.

Each term, managers and key staff will report to the Headteacher on actions and progress.

The academy equality scheme is aligned with the School Development Plan. Its implementation is monitored within the school's self-evaluation and other review processes (The Senior Leadership Team and Governing Body) as well as being updated at least annually.
