11th November 2019

Dear Parent/Carer,

11B411 promise

On Thursday 14th November the year 2 class will be completing a good deed as part of our schools 11B411 promises by 'making a cake and delivering it to members of the church community'.

This promise supports the children engaging directly with the local community through an act of giving and service.

This cake recipe also supports our learning as it is from the book we are currently reading in class 'George and the Royal chocolate cake'.

Yours faithfully,

Beccy Payne
Head teacher
