11th November 2019

Dear Parent/Carer,

11B411 promise

On Tuesday 12th November reception class will be completing a good deed as part of our schools 11B411 promises by 'washing a fire engine'.

This promise supports the children engaging directly with the local community through an act of giving and service.

Please ensure you pack a change of clothes and waterproof if you have them. Due to the nature of the fire service, in an emergency this promise may need to be rescheduled.

Yours faithfully,

Beccy Payne
Head teacher
