

## Week 5—Size Activity—Introduction

Dear Children,

I need your help!

You probably last saw me running out of the house that belonged to the Three Bears.

I made them very sad by being in their house when they hadn't invited me in.

I broke their furniture, ate their food and slept in their beds.

I'm really sorry that I made them sad and want to do something nice to make them happy again.

I've bought them some presents and new bowls. My dad has even made them new chairs!

I need to take them to their house, this time I will knock but I'm getting in a muddle and keep giving the bears the wrong size gift.

I know that you are all very clever, Mrs Hobbs has told me, so can you help me make sure each bear gets the correct shaped gift?

I hope you can help me.

From

Goldilocks
