Year 1 - Update on school opening

Dear Parent/Carer,

As you know, we were really disappointed when we were unable to invite Year 1 back to school full time. Therefore, we have been busy thinking creatively about how we can work to welcome our Year 1 pupils who are not attending key worker provision back in some capacity 😊

Some of you have received a phone call from Miss Sinclair to discuss inviting the children back in for two and a half hours a day from 10am-12:30. This would be making the most of outdoor environment, with the majority of work focused on number and phonics. Please **complete the link below** as to whether or not you would be looking for your child to attend. This will really help us with our planning of groups. The numbers will influence how and when we are able to accommodate groups of children. Once you have completed the form, we will write to you by 12 midday this Friday with a plan. I appreciate this is short notice but please bear with us as we finalise the details for Year 1 provision.

This is all subject to approval by the Academy Trust and therefore will be trialled for the first week and is subject to weekly assessment, review, and evaluation. The Year 1 group will be led by Miss Sinclair, who is really looking forward to working with the children again.

Yours faithfully,

Beccy Payne
Head teacher
