

IAL: to identify and name a variety of common garden plants.

A garden plant is a plant that has been planted on purpose. Some people grow plants in their gardens because they are nice to look at. Look at these garden plants below. Do you know any of them? Do you have any of them in your garden?

buddleia

clematis

dahlia

lavender

lily

iris

lupin

pansy

poppy

rose

sunflower

sweetpea

Sort these plants into wild or garden plants.

daisy lavender dog rose poppy clover lily

Wild Plants	Garden Plants

Explain the difference between a wild plant and a garden plant.

Draw and colour your own garden. Add garden plants of your choice and label them.

IAL: to interpret simple maps and symbols.

This is an aerial map of our Year 1 classroom using shapes as symbols. Complete the key by using the word bank to label the symbols. Add the symbol for the book corner to the map.

Draw your own aerial map of a room in your house using symbols.

IAL: to use a wide vocabulary of everyday historical terms.

Based on your research from last week, look at the historical terms on the left hand side. Draw a line to match them to what you think their meaning is.

Parliament	A period in which there is no war.
War	A system of government.
Democracy	Armed conflict between different countries.
Monarch	A head of state.
Peace	A group of people who make laws for a country.

Unscramble the anagrams below to spell the historical terms you have learnt from this week and last week.
