IAL: to identify human and physical features.

Last week, we looked at human and physical features of the seaside. Next time you are out on a walk, look for these features in your local area. Sort the features into human or physical using the table below.

forest

house

hill

shop

river

town

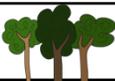

reservoir

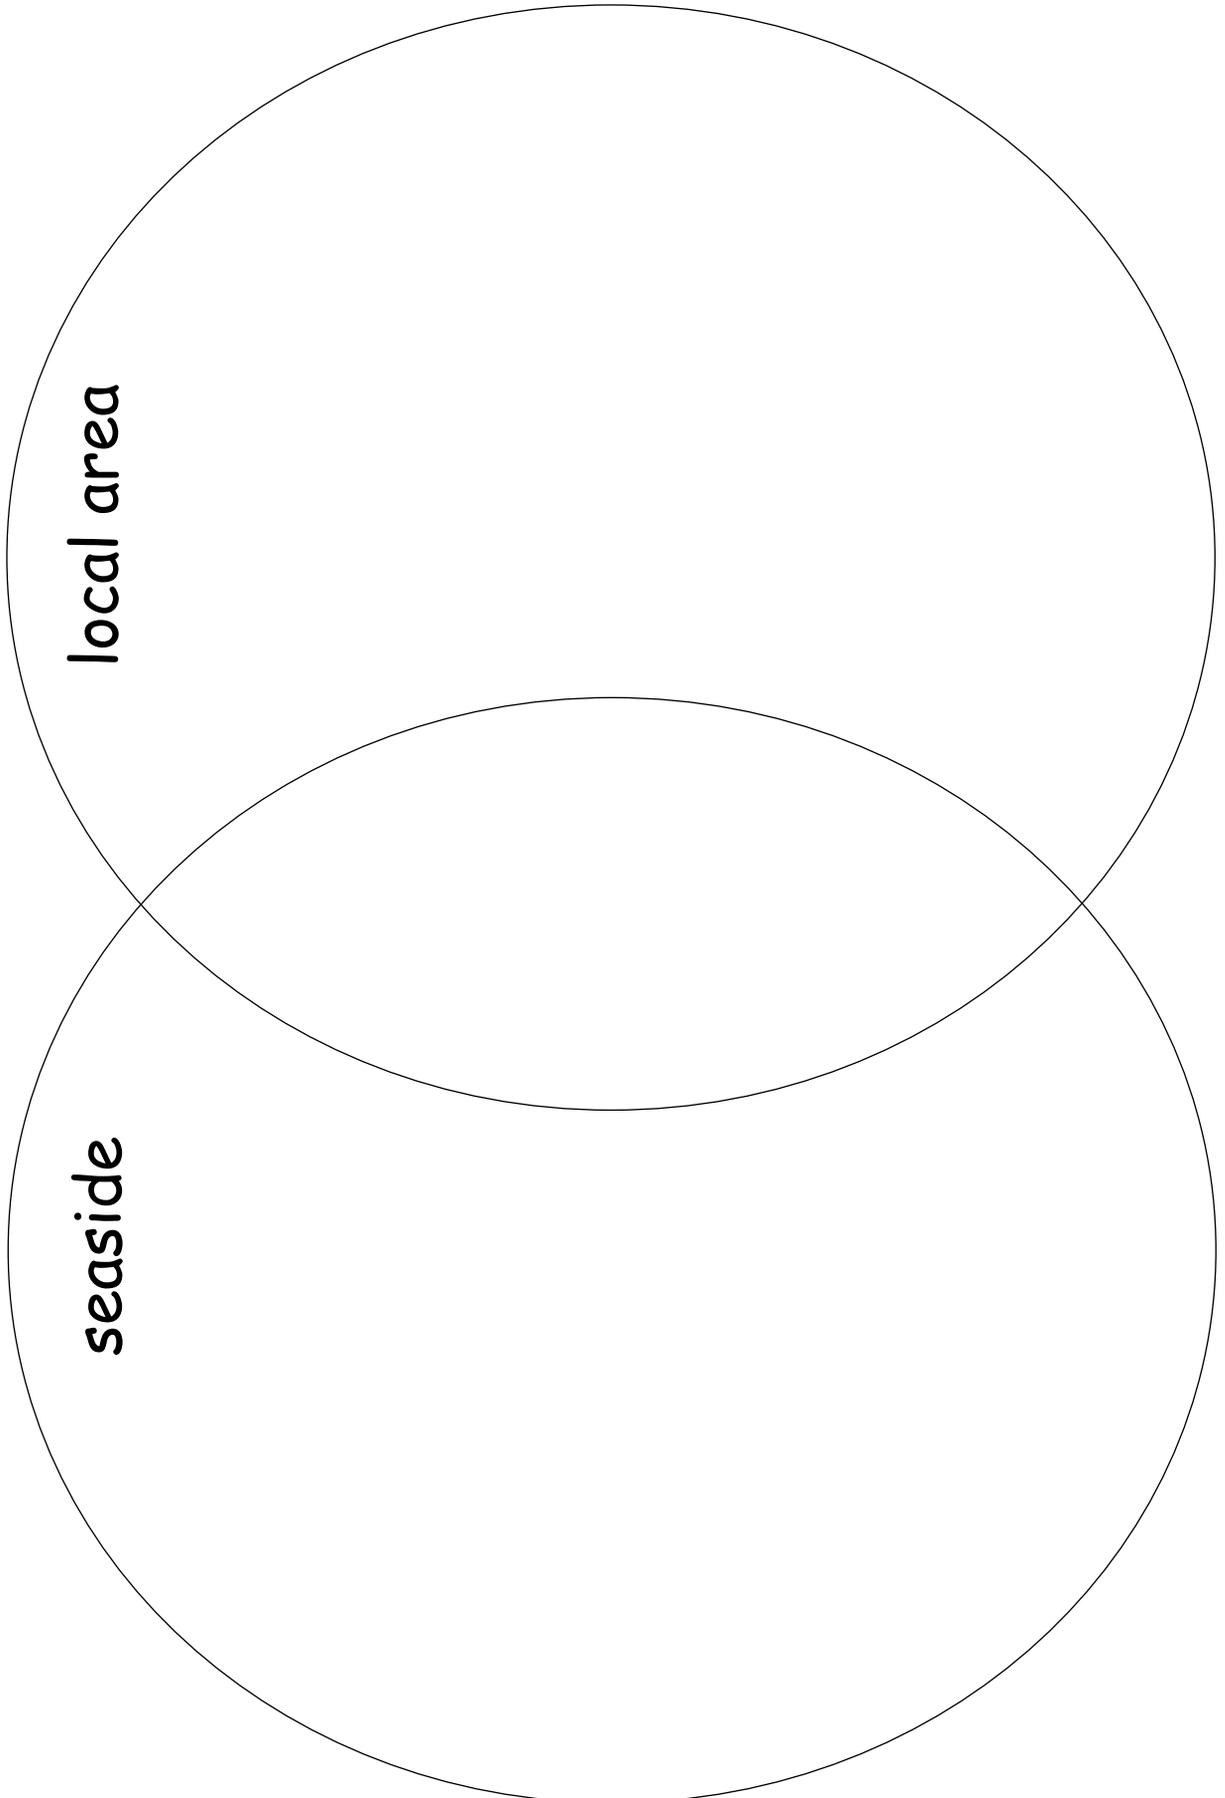

road

vegetation

 human	 physical
<p>house</p> <hr/> <hr/> <hr/> <hr/> <hr/>	<p>forest</p> <hr/> <hr/> <hr/> <hr/>

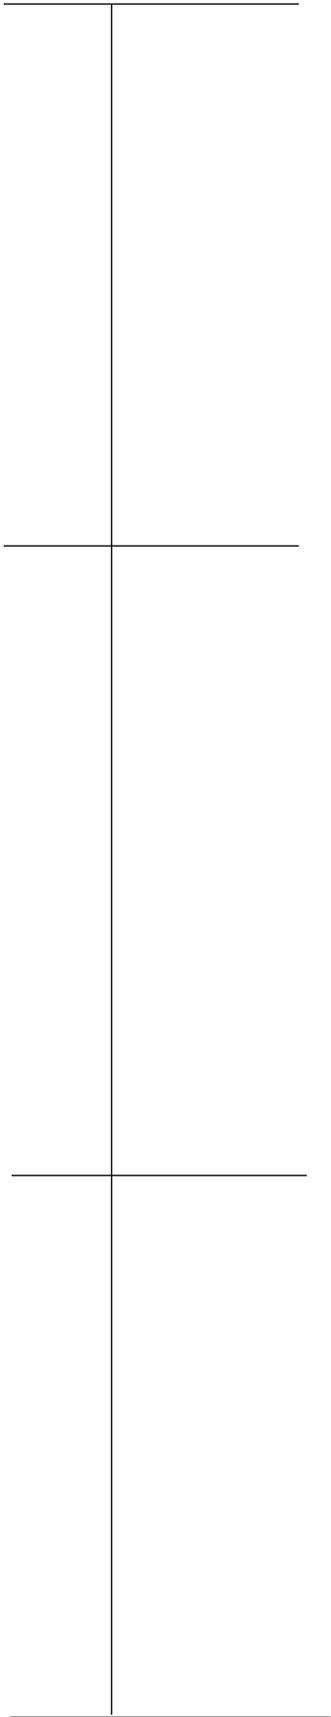

Sort the features found in your local area and the features found at the seaside into the venn diagram below. How many features are the same in both areas? How many features are different?

IAL: how to place significant events in order on a timeline.

Create your own timeline based on significant events that have happened in your life so far. Fill in the boxes by drawing a picture or writing a sentence.

present

past

An empty rectangular box for describing an event.

An empty rectangular box for describing an event.

An empty rectangular box for describing an event.

An empty rectangular box for describing an event.
