BE AWESOME, GO BIG - TRANSITION RESOURCES FOR YEAR 6 PUPILS

The resources on the page linked above are fantastic for helping you with the transition from Y6-Y7.

We are looking at all of the sessions in school but you can complete them at home too 😊

There are 9 sessions and each should take around 30 minutes.

These resources have been created to prepare Year 6 pupils for the transition to secondary school.

The lessons are based on the books *You Are Awesome* by Matthew Syed and *Go Big* by Matthew Burton. Each session will take pupils through some big ideas to help them on their way to secondary school.

Year 6
