

## Year 2

Have a close look at this picture. Look carefully at all of the details...

Talk about what you can see with someone at home. How many different ideas can you think of?

Some things to think about:

- What is the weather like?
- What is the smaller character thinking?
- How do you think they got there?
- Where exactly are they?
- What might happen next?

Can you come up with an exciting story about the picture?

**Parents/carers:** *There are no right or wrong answers really- encourage discussion about all of the details. ("Tell me more about why you think that..." "That's great! What else do you think?")*

The stories can be hand-written or typed 😊
